

**CARMODY’S HILL WIND FARM PROJECT**  
 ➤ **AWARD OF BALANCE OF PLANT CONTRACT**

---

**1.0 INTRODUCTION**

Gamuda Berhad [Co. Regn. No. 197601003632 (29579-T)] (“**Company**” or “**Gamuda**”) wishes to announce that the Balance of Plant contract for the Carmody’s Hill Wind Farm project in the mid north region of South Australia has been concluded with Georgetown Hills Renewable Energy Pty Ltd (ACN 630 529 994) as trustee for the Georgetown Hills Renewable Energy Trust (ABN 94 820 035 175), to its wholly owned subsidiary in Australia, DT Infrastructure Pty Ltd [Australian Company No. 665 782 730] (“**DT Infrastructure**” or “**DTI**”) on 18 December 2025.

**2.0 INFORMATION ON CARMODY’S HILL WIND FARM PROJECT**

Type of Contract	Balance of Plant (“ <b>BoP</b> ”)
Contract Sum	AUD265 million (equivalent to approximately RM718 million) <i>(based on AUD1 = RM2.71 as of 18 December 2025)</i>
Contract Duration	28 months
High level summary of scope	The civil works to be undertaken by DT Infrastructure include construction of turbine foundations, internal access roads, drainage and erosion controls, crane hardstands, laydown areas and associated earthworks.  The scope also covers trenching and installation of underground cable routes, site preparation works and logistics coordination to support turbine delivery and erection.
Commencement Date	Early 2026

**3.0 ESG INITIATIVES**

Once operational, the Carmody’s Hill Wind Farm project will contribute directly to the renewable energy transition by increasing renewable energy generation capacity, reducing emissions and supporting the national transition away from fossil fuels. The said project will benefit local communities through job creation, procurement opportunities and regional economic activity. Strong environmental management practices will protect land, biodiversity and water resources throughout construction.

#### **4.0 RISK FACTORS**

The Carmody's Hill Wind Farm project shares similar risks with successfully completed wind farm projects in Australia, including regulatory changes, financial fluctuations, technical failures, environmental impacts, market competition, community opposition, supply chain disruptions, and weather events.

#### **5.0 FINANCIAL IMPACT**

The Carmody' Hill Wind Farm project is expected to contribute positively to the revenue and earnings of the Gamuda Group for the financial year ending 31 July 2026 onwards until completion of the said project.

#### **6.0 DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS**

None of the Directors and/or major shareholders of the Company and/or persons connected with them, has any interest, direct or indirect, in the Carmody' Hill Wind Farm project.

Gamuda will make the necessary announcement to Bursa Malaysia as and when there is a material development in relation to the Carmody's Hill Wind Farm project.

This announcement is dated 18 December 2025.
